

Welcome to our latest Rotary Oceania Update.

Contained in this newsletter:

1. Xmas wishes
2. Awards Committee
3. Flectra Update
4. Insurance

Xmas Wishes

The Directors at ROZOps wish you and your club members a Merry Xmas and a Happy New Year.

Awards Committee

The ROZops Awards committee has been formed to promote and support NZ Rotarians being considered for the NZ Royal Honours list and other community and volunteer awards such as New Zealand Community of the Year, New Zealander of the Year, and Senior New Zealander of the Year.

The committee is chaired by PDG Graham Jull (D9930) and consists of the IPDGs of D9920, D9930, D9940 and D9999.

Districts should select and nominate their own suitable candidates but can seek support from our committee to support their application should they wish to. This is a great opportunity to recognize the outstanding work Rotarians and Rotary Clubs do in their communities.

Flectra update

Clubs are continuing to onboard with a number of clubs successfully utilising their new websites and event management tools.

Regular updates are being held on zoom - These will start up again in February - and can be found [here](#) from February. This is also a forum for any insurance and constitution issues.

Insurance

Insurance terms have been successfully negotiated and general and public liability policies will be in place from Jan 1, 2024 subject to clubs and other Rotary entities completing the online form and declarations which will be sent to all clubs shortly. If you have any queries around this then please file a helpdesk ticket or talk to your District Insurance Officer.
